

Adhesive recommendations for full-spread glue-down installation from DISANO Pro

We recommend the following adhesives:

- Thomsit K 188 E EC1Plus, Blauer Engel, TKB A3 notch coverage
- UZIN KE 2000S
- Wakol D 332D Multiflex fibrous, TKB A3 notch coverage
- Sika Bond Vinyl-1
- Mapei Ultrabond Eco 380

Please make sure to apply the adhesive as outlined in the DISANO Pro installation instructions and in the adhesive manufacturer's conditions for use.
